Steve, I spoke with Jennifer. I told her that I would keep her advised of the state's efforts to enter into a Consent Decree with Mountaire.

Jennifer; there is a somewhat long history to relate. The most up to date version will come from our atty on the matter – Andy Duchovnay. Andy – do you have time to give Jennifer a call?

Hi Steve,

I'm the Civil Chief at the US Attorney's Office in Delaware. I got your name from John Sither at ENRD. I saw this article in the paper today and wondered what the backstory was, in case our new US Attorney asks me about it. Do you have a few minutes to discuss?
